

APRIL 2017

Welcome to Spring.

It's that time of year again when we look forward to the snowbirds returning and cottages opening up for the season. May 1st is the first day we can turn your water on, so remember to call the office a minimum of 48 hours beforehand to make your appointment.

Pre-authorized debits (PADs).

The Village is now able to accept automatic payments for your water and tax accounts.

Signing up to pay by PAD

To get started, you need complete an agreement, copies of which are available on our website www.buenavista.ca or you can pick one up at the office.

As part of the agreement, you must provide confirmation of your banking information in the form of a blank cheque. Please ensure to write "VOID" in ink across the front of the cheque, and don't sign it.

Keep a copy of the agreement or confirmation for your reference.

Remember to check your bank account regularly to make sure the withdrawals match what you approved in the agreement.

To understand your rights check out www.payments.ca

Water Bills

A reminder that payment for your water bill is due when you receive the bill. The due date indicated is for office purposes only.

SAVE THE DATE

- April 15** - Easter Egg Hunt, Regina Beach
- July 1** - Parade
- July 15** - Chili Challenge
- August 18** - Picnic
- September 9** - Bottle Drive

Pumping Water

Please contact the Village office before pumping so that staff can advise you were to pump.

Have you renewed you dog license?
