

**REQUEST FOR PROPOSAL
VILLAGE OF BUENA VISTA
BYLAW ENFORCEMENT SERVICES**

The Village of Buena Vista is requesting a proposal from interested parties to provide part time Bylaw Enforcement Officer Services.

Summer's Here!

Bylaw 1-15 "The Swimming Pool"

There seems to be some confusion with regard to the 2015 bylaw. The Village has had a Swimming Pool Bylaw in place since 1985, the bylaw was updated in 1993 and again in 2015.

Changes were made to the following:

- To clearly identify Definitions
- To strengthen the Enclosure and Gate section and bring it in line with Building Standards
- To remove 2(d) which allowed a pool to be drained into a storm sewer
- To remove 2(e) which allowed a pool to be drained across private or public property in a system of pipes.

Before you start any work in or around your property check if you need a permit.

Nothing is to be built on the property line there must be a 5ft easement.

You are not allowed to pave beyond your property line.

If in doubt please call or visit the office.

The Village of Buena Vista has a firework bylaw with does NOT allow the setting off of fireworks within the limits of the Village without first obtaining a permit. A copy of the Bylaw and request for permit is available at the Village Office.

Bylaw Enforcement Services consist of:

- Responding to complaints or concerns regarding municipal bylaws;
- Enforcement of bylaw infractions on an ongoing basis (not complaint initiated);
- Issuing and tracking of municipal tickets;
- Maintaining records, and other duties identified.

Contractor will be required to:

- Supply own vehicle and cell phone and pay all associated costs and charges.

Your proposal must include:

- Cost for the provision of services comprising of 3 hours a week during the period between the Victoria Day long weekend and Labour Day long weekend and 1 hour a week for the remainder of the year.
