

June 2016

October is election month.

It doesn't matter how you vote, the important thing is that you vote

It is important to become involved in your community's affairs and exercise your democratic right to choose the leaders of your community.

Urban municipal councils are elected for a 4-year term, commencing with the first meeting following the election and will consist of an elected mayor and four Councillors.

The next election will take place Wednesday October 26, 2016.

Voting will take place at the Municipal Office however Council recognises that there may be voters out there who cannot make it into the polling station. As a result Council passed a motion at the May 10th meeting to allow Homebound voting. The forms are available on our website www.buenavista.ca, or can be picked up at the Village office.

A permit is required to set off fireworks. A copy of the bylaw and application form is available online or at the Village office.

Thank you to those homeowners who chose to receive their bills, newsletters and other notifications by email.

It is not too late to be added to the scheme, a link to the form can be found on our website www.buenavista.ca in the quick links section, or pick up a copy at the Village office. Do not worry if you change your mind, you can opt out at any time.

Dust suppression will take place the end of June into July. Please ensure that all vehicles are parked on your property. Public work staff will be grading and gravelling before this time.
