

Once again Council are reminding people that there are **NO** motorised vehicles of any type allowed in Dobson Park except for emergency vehicles!

If Council continue to get reports about vehicles in the park then the park will be completely fenced.

Please respect your neighbourhood.

PAVING

If you want to pave your driveway past your property line over Village easement up to the road then you must contact the Village office for permission. The Village maintenance staff will inspect the site to see if a culvert is required. If a culvert is necessary it will be the homeowners' responsibility to pay for it and the Village will carry out the installation.

Your contractor can also install the culvert, however, a member of the maintenance staff must be on site whilst this work is carried out.

If you have any questions, please do not hesitate to contact the Village office.

Change of date

Due to unforeseen circumstances, the date of the Ratepayers meeting has been changed from July 11, 2015 to Saturday August 8, 2015. It will still be held at the Regina Beach Memorial Hall between 9am and noon.
