## UPDATE

**The entrance** road off Highway #54 into Buena Vista is the responsibility of the Village. As you can appreciate the high water table has caused issues throughout the Village and surrounding area and the road has also suffered.

The Village is continuing to pump standing water from alongside the road and once it is deemed dry enough the road will be graded and rebuilt. It will remain that way for the foreseeable future and the Village will keep you updated of any changes

## SAVE THE DATE

**The ratepayers** meeting will be held on Saturday July 11, 2015, 9:00am til Noon at Regina Beach Memorial Hall, Centre St, Regina Beach.

## BYLAW UPDATE

### 02/15 The numbering of buildings in the Village of Buena Vista.

This bylaw states that all buildings and structures must display a number clearly visible from the street or road. If you access your home from two roads then each side must be clearly numbered. A full copy of the Bylaw is available from the Village office or [bueanvista.ca](http://bueanvista.ca).

## REMINDERS

There are still some dogs in the Village that have not had their licences renewed. Please remember that licences must be renewed in January of each year.

Once again a reminder that there are **NO** motorized vehicles are allowed in Dobson Park, Heritage Park or Lion's Park.
