

**MAY 2023**

### **WEEKLY GARBAGE COLLECTION RESUMES**

Starting May 1, weekly garbage collection resumes. As always, please have your bins out by 7 am and bring them off the street as soon as you are able after collection.

### **WATERMAIN FLUSHING**

Please note we are planning to do our annual spring watermain flushing between May 9 and 11. During this time, you may notice a drop in water pressure and discoloration in your water lines. If possible, limit usage during this time to prevent drawing sediment into your lines. If you do see discoloration, simply run your cold water tap for a while after we are done all our work and the water will soon return to clear.

### **SUMMER STUDENTS**

The Village of Buena Vista has applied for funding from Canada Summer Jobs for summer staff positions. If you have a student interested in summer employment with us, keep an eye on our website for application deadlines.

### **SUMMER WATER LINES**

Property owners with summer water lines are reminded water service will be turned on by appointment only between May 1 and September 30. Contact the office by phone to arrange an appointment slot with a minimum of 48 hours notice. Remember it is also your responsibility to schedule for your fall disconnection prior to September 30.

### **DISTRICT DEVELOPMENT APPEAL BOARD POSITION**

There is still a vacant position on the District Development Appeals board. This is a joint board between Buena Vista and Regina Beach that meets to discuss development appeals on an as-needed basis. Please contact the office for information or to express your interest in this volunteer position.
